INDEX

Vol. 90, Nos. 1-6, January-December 1999

ABOUL-Anein, Y.H., LT, MSC
book reviews
Debris of Battle, the Wounded of Gettysburg 3:31
Gallipoli, The Medical War 5:28
Joint Task Force Full Accounting 6:1
local Chicago high school dedicates computer lab to Navy nurse 1:23
multicultural care in Navy medicine: lessons learned from an Egyptian chief petty officer 1:20
nurses at sea: providing medical care 8 months out of the year 4:6
sub-Saharan Africa: Navy medicine's operational role in the new world order 5:18
Acosta, G., LCDR, MC, USNR, medication cost containment in military anesthesia 5:10
Africa: Navy medicine's operational role in the new world order 5:18
Aircraft carriers
high noise environment 5:21, 6:13
radio frequency energy absorption on a land-based carrier deck 5:4
Air Force medics, Great Lakes corpsmen train with 5:2
Anderson, T., CDR, MSC, chemical/biological warfare close to home 5:14
Anesthesia, military, medication cost containment in 5:10
Arthur, D.C., CAPT, MC, flag officer selectee 4:2
Arthur, J., CAPT, DC, a new name and a modern mission 5:16
Ashby, M.E., LT, NC, medication cost containment in military anesthesia 5:10
Aviation, naval, candidates with a history of Kawasaki disease 3:28
Axman, L.M., CDR, NC, sexual behavior and risk reduction counseling: a component of clinical management 6:14

BALANCE disorders and hearing loss 3:1
Beck, M., LCDR, NC, medication cost containment in military anesthesia 5:10
Beecham, H.J. III, CAPT, MC, penicillin, polio, and Apollo II: Navy Environmental and Preventive Unit-6 turns 50 2:8
Biological/chemical warfare close to home 5:14
Birth defects registry, DOD 3:32
Boehnke, K.L., COL, USAF, MC, a new name and a modern mission 5:16
Book reviews
Debris of Battle, the Wounded of Gettysburg 3:31
Gallipoli, The Medical War 5:28
Boone, R., JO1, Surgical Response Team assists earthquake victims 6:5
Boston, P.S., LT, MSC, a new name and a modern mission 5:16
Brakhage, C.H., CDR, MSC, physician assistant anniversary 4:1
Brassfield, J.R., Navy medical facilities update 3:8
Brophy, M.A., CAPT, MSC, a new name and a modern mission 5:16
Burke, J., naval research lab's CAPT James Campbell successfully completes English Channel swim 2:18

CAMPBELL, J., CAPT, MSC, successfully completes English Channel swim 2:18
Camp Pendleton surgeons get level I trauma access 1:4
Cardwell, F., LT, MSC, rocket science for Sailors: a spanking new approach to preventive health 3:21
Career information training course, officer 2:21
Carey, N., M.S., Ph.D., What can medical do when casualties are interspersed with enemy, and infantry units must keep moving? 4:12
Casualty care
mass casualties following an F5 tornado 4:18
Surgical Response Team assists earthquake victims 6:5
What can medical do when casualties are interspersed with enemy, and infantry units must keep moving? 4:12
Chemical/biological warfare close to home 5:14
Children, positioning devices, popular 1:19
Chung-Park, M.S., CDR, NC, unplanned pregnancy in active duty women: the rate and associated factors 4:20
Cocrane, R., CDR, MSC, *Naval Force Health Protection:* doctrine for the 21st century 1:8
Combat
What can medical do when casualties are interspersed with enemy, and infantry units must keep moving? 4:12
Culture, Egyptian
multicultural care in Navy medicine 1:20

DAVIDSON, G., CDR, NC, medication cost containment in military anesthesia 5:10
Decompression, biochemical, experimental method for Navy divers 4:4
Defense Medical Standardization Board 5:16
Dengue fever vaccine 6:10
Dental Corps, Navy
Naval Dental School: 75 years of excellence in education 1:24
Dentistry
periodontopathic bacteria, detection of 3:32
de Savorgnani, A.A., CAPT, NC, implementation of Officer Career Information Training Course 2:21
Disease reporting system, new 3:6
Divers, Navy, experimental biochemical decompression method for 4:4
DNA
sequencing of malaria chromosome 1:1
vaccine, development of 1:3, 1:28

EARTHQUAKE, Ismit, Turkey 6:5
Egypt, multicultural care in Navy medicine 1:20
English Channel, CAPT James Campbell successfully completes swim 2:18
Etter, H.S., RADM, MC (Ret.), in memoriam 5:26
Everett, WA, Naval Station, Medical/Dental Clinic 3:8
Eyes, photorefractive keratectomy (PRK) 2:1

FACILITIES, medical, Navy, update of 3:8
Fisher, Z.
in memoriam 4:29
receives presidential Medal of Freedom 1:7
Flag officer selections
Arthur, D.C., CAPT, MC 4:2
Mayo, R.A., CAPT, MC 4:2
VanLandingham, J.P., CAPT, MSC 4:3
Food safety 3:21

NOTE: Figures indicate the issue and page in Volume 90 of *Navy Medicine*. For example, 3:31 shows the article may be found in issue No. 3 (May-June 1999), page 31.

Fort Detrick, MD, Joint Readiness Clinical Advisory Board 5:16
FOXY-29 and tank deck hospitals: the medical role of LSTs in the invasion of Normandy 2:22, 3:23, 4:25
Frank, W.P., CAPT, MSC, Navy medicine: far forward at the tip of the spear 2:12
Fraser, J.R., CAPT, MC, mass casualties following an F5 tornado 4:18

GEE, J., LT, MSC, health care marketing: its concept, audit, plan, and strategy development 2:16
Gillooly, P., CDR, MSC, interview on Navy occupational safety, health, and environmental protection training 1:13
Great Lakes corpsmen train with Air Force medics 5:2
Green men measure radio frequency energy absorption on a land-based carrier deck 5:4
Groom, D., M.D., FOXY-29 and tank deck hospitals: the medical role of LSTs in the invasion of Normandy 2:22, 3:23, 4:25

HACALA, M.T., HMCS(FMF), USNR, Commandant awards Navy Cross for heroism in a forgotten war 4:8
Health care
  health services doctrine for logistics and patient movement 3:12
  marketing: its concept, audit, plan, and strategy development 2:16
  medication cost containment in military anesthesia 5:10
  multicultural care in Navy medicine 1:20
  Naval Force Health Protection: doctrine for the 21st century 1:8
Health, preventive, *Food Code* 3:21
Health promotion
  force health protection through training 3:5
Hearing
  aircraft carriers, high noise environment 6:13
Hearing conservation: the engineering part of the equation 5:21
Hearing loss and balance disorders 3:1
Herman, J.K., MSC officers lead the way in Navy occupational safety, health, and environmental protection training 1:13
Hicks, E.W., preventive medicine teams keep support effort successful 2:2
History
  FOXY-29 and tank deck hospitals: the medical role of LSTs in the invasion of Normandy 2:22, 3:23, 4:25
  penicillin, polio, and Apollo II: Navy Environmental and Preventive Medicine Unit-6 turns 50 2:8
Hospital Corps, Navy
  Commandant awards Navy Cross posthumously to HM3 J.F. Keenan 4:8
  Great Lakes corpsmen train with Air Force medics 5:2
  medical bag, new design 5:6
Hospitals (see Naval Hospitals)
Humanitarian operations
  around the world: NEPMU-6 2:4
  Nicaragua, NEPMU-2 2:2
  sub-Saharan Africa: Navy medicine's operational role 5:18
  Surgical Response Team assists earthquake victims 6:5
Human remains, recovery of 6:1

INFANTRY
  What can medical do when casualties are interspersed with enemy, and infantry units must keep moving? 4:12
In memoriam
  Etter, H.S., RADM, MC (Ret.) 5:26
  Fisher, Z. 4:29
  Nelson, M.R.H. 5:26
  Pribram, K. 2:27
  Segni, C.G., LCDR, NC 1:23
Interview with Gillooly, P., CDR, MSC, on Navy occupational safety, health, and environmental protection training 1:13
Iraq 2:12
Ismit, Turkey, earthquake 6:5

JOB satisfaction, Naval Reserve nurses 6:20
Joint Readiness Clinical Advisory Board 5:16
Joint Task Force Full Accounting 6:1

KAWASAKI disease, evaluation of naval aviation candidates with 3:28
Kayar, S., head of NMRC decompression research program 4:4
Keenan, J.F., HM3, posthumously awarded Navy Cross 4:8
Key West, FL, Medical/Dental Clinic 3:8
Krulak, C.C., GEN, Commandant of Marine Corps, awards Navy Cross posthumously to HM3 J.F. Keenan 4:8
Kuwait 2:12

LE HEW, K.M., LT, MC, evaluation of naval aviation candidates with a history of Kawasaki disease 3:28

MALARIA chromosome, DNA sequencing of 1:1
Mayo, R.A., CAPT, MC, flag officer selectee 4:2
McKay, D.A., CDR, NC, force health protection through health promotion training 3:5
Medical bag, new design for FMF hospital corpsmen 5:6
Medical facilities update, Navy 3:8
Medical Service Corps, Navy
  officers lead the way in Navy occupational safety, health, and environmental protection training 1:13
  physician assistant 25th anniversary 4:1
Medication cost containment in military anesthesia 5:10
Mercy, USNS, engineering up to the task 5:1
MIA's, Joint Task Force Full Accounting 6:1
Morales, M., LT, MSC
  Naval Force Health Protection: doctrine for the 21st century 1:8
  naval health services doctrine for logistics and patient movement 3:12
Morrow, R.C., M.D., M.P.H., Navy's new automated disease reporting system (NDRS) 3:6
Mother's Mentor Program 6:18
Murphy, B.A., CDR, MSC, Mother's Mentor Program at Naval Hospital Rota, Spain 6:18

NANOS, G.P., Jr., VADM, the right thing to do 6:13
Naval Dental School: 75 years of excellence in education 1:24
Naval Force Health Protection: doctrine for the 21st century 1:8
Naval Health Research Center Detachment, Brooks AFB, radio frequency energy absorption on a land-based carrier deck 5:4
Naval health services doctrine for logistics and patient movement 3:12
Naval Hospitals
  Camp Pendleton, CA, surgeons get level I trauma access 1:4
  Naples, Italy, Surgical Response Team assists earthquake victims 6:5
  Pensacola, FL, Outpatient Clinic 3:8
  Rota, Spain, Mother's Mentor Program 6:18
Naval Medical Research and Development Command 1:28
Naval Medical Research Center Detachment, Lima, Peru, celebrates 15 years 2:28
Naval Reserve, nurses find job satisfaction 6:20
Navy Cross awarded posthumously to HM3 J.F. Keenan 4:8
Navy Environmental and Preventive Medicine Units (NEPMU)
  celebrates 50th aniversary 2:8
  in Nicaragua 2:2
  service around the world 2:4
Navy Occupational Safety, Health, and Environmental Training Center 1:13
Nelson, M.R.H., in memoriam 5:26
Nicaragua, preventive medicine teams keep support effort successful in 2:2

Noise on aircraft carriers 5:21, 6:13
Norman, D., CDR, NC, medication cost containment in military anesthesia 5:10
Normandy invasion 2:22, 3:23, 4:25
Nurses, Navy
at sea: providing medical care 8 months out of the year 4:6
find job satisfaction 6:20

OCCUPATIONAL safety, health, and environmental protection training 1:13
Oklahoma City, F5 tornado 4:18
Okonski, T.M., supporting our children: a review of popular positioning devices 1:19
Operation Desert Fox 2:12

PENDRICK, P., CDR, NC, tobacco cessation during under way deployments 3:16
Penicillin, polio, and Apollo II: Navy Environmental and Preventive Medicine Unit-6 turns 50 2:8
Pensacola, FL, Naval Hospital, Outpatient Clinic addition/alteration 3:8
Periodontopathic bacteria, detection of 3:32
Persian Gulf 2:12
Phillips, M.C., LT, MC, USNR, medication cost containment in military anesthesia 5:10
Photorefractive keratectomy (PRK) 2:1
Physician assistant 25th anniversary 4:1
Pierce, J.A., LT, NC, USNR, REDCOM One nurses find job satisfaction 6:20
Portsmouth, VA, Naval Medical Center, Charette Health Care Center 3:8
Positioning devices for children 1:19
Pregnancy in the Navy 4:20, 6:14, 6:18
Preventive health, a new approach 3:21
Preventive medicine teams keep support effort successful 2:2
Pribram, K., in memoriam 2:27
PRK (photorefractive keratectomy) 2:1

QUANTICO, VA, Comprehensive Health Care Clinic 3:8

RADIO frequency energy absorption on a land-based carrier deck 5:4
Reading, M., LCDR, MSC, naval health services doctrine for logistics and patient movement 3:12
Recovering human remains, Joint Task Force Full Accounting 6:1
Rendin, R.W., CDR, MSC, Navy's new automated disease reporting system (NDRS) 3:6
Research and development
birth defects registry, DOD 3:32
dengue fever vaccine 6:10
DNA sequencing of malaria chromosome 1:1
Research and development (con.)
DNA vaccine 1:3, 1:28
green men measure radio frequency energy absorption on a land-based carrier deck 5:4
medical bag, new for FMF hospital corpsmen 5:6
Naval Medical Research and Development Command 1:28
NMRC Detachment, Lima, Peru, celebrates 15 years 2:28
periodontopathic bacteria, detection of 3:32
submarine, disabled, prototype survival software for 2:28
Roberts, L.H., CDR, MC, Navy trauma training 6:23
Rose, S., JO3, *Mercy* engineering up to the task 5:1
Ryan, D.
a milestone in developing DNA vaccine 1:3
DNA sequencing of malaria chromosome 1:1
experimental biochemical decompression method for Navy divers 4:4
green men measure radio frequency energy absorption on a land-based carrier deck 5:4
military personnel with hearing loss and balance disorders have a new line of defense 3:1
Navy researchers help design new medical bag for FMF hospital corpsmen 5:6
Navy researchers working to develop a vaccine for dengue fever 6:10

SAYERS, D., new procedure opening Navy's eyes 2:1
Schafer, D.R., CDR, DC, the Naval Dental School: 75 years of excellence in education 1:24
Schallhorn, S., CDR, MC, photorefractive keratectomy (PRK) 2:1
Segni, C.G., LCDR, NC, in memoriam 1:23
Sexton, P., CDR, NC, Mother's Mentor Program at Naval Hospital Rota, Spain 6:18
Sexual behavior and risk reduction counseling: a component of clinical management 6:14
Ships
aircraft carriers, high noise environment 5:21, 6:13
green men measure radio frequency energy absorption on a land-based carrier deck 5:4
LSTs in the Normandy invasion 2:22, 3:23, 4:25
Mercy, USNS, engineering up to the task 5:1
nurses at sea: providing medical care 8 months out of the year 4:6
tobacco cessation during under way deployments 3:16
Smoking, tobacco cessation during under way deployments 3:16
Southby, H.V., LT, NC, USNR, NHCP surgeons get level I trauma access 1:4
Sternberg, T., CAPT, MC, medication cost containment in military anesthesia 5:10
Stitt, C., HM3, Great Lakes corpsmen train with Air Force medics 5:2
Sub-Saharan Africa: Navy medicine's operational role in the new world order 5:18

TOBACCO cessation during under way deployments 3:16
Tornado, F5, in Oklahoma 4:18
Training
corpsmen train with Air Force medics 5:2
force health protection through health promotion 3:5
occupational safety, health, and environmental protection 1:13
Officer Career Information Training Course 2:21
trauma 6:23
What can medical do when casualties are interspersed with enemy, and infantry units must keep moving? 4:12
Tsui, F., Ph.D., What can medical do when casualties are interspersed with enemy, and infantry units must keep moving? 4:12
Turkey, Ismit, earthquake 6:5

VACCINES
dengue fever 6:10
DNA 1:3
VanLandingham, J.P., CAPT, MSC, flag officer selectee 4:3
Vietnam, MIA's
Joint Task Force Full Accounting 6:1

WARFARE, chemical/biological 5:14
Washburn, R.C., CHPD, force health protection through promotion training 3:5
Wolfe, S.E., HMC(SW), Joint Task Force Full Accounting 6:1
Women in the Navy
Mother's Mentor Program 6:18
pregnancy 4:20, 6:14, 6:18
sexual behavior and risk reduction counseling 6:14
Wyatt, E.P., CAPT, MSC
Naval Force Health Protection: doctrine for the 21st century 1:8
naval health services doctrine for logistics and patient movement 3:12

YANKASKAS, K., hearing conservation: the engineering part of the equation 5:21
Yarbrough, W.M., CAPT, MC, USNR, medication cost containment in military anesthesia 5:10
